Descriptions:

Massage from Bali

A typically relaxing massage combining the elements of a few Asian techniques, among others, Ayurveda, the Chinese acupressure and the relaxing massage typical of the island of Bali. The steady, but strong and deep movements of therapists bring you to blissful stress relief.

Sa Moon Prai Massage

During the battle of Ayuthaya, the historic capital of Thailand, the wounded soldiers landed in Buddhist temples where they were treated with healing massage and herbal compresses. Today this technique is broadly used in Asian SPAs. Therapeutic Sa Moon Prai massage is a combination of two ancient healing concepts – energy massage and herbal medicine. Hot stamps filled with a herbal mixture are called the “hot pressure”, having an effect similar to acupuncture. The massage is performed along the sen energy lines, acupressure points and joints. Hot herbal compresses remove muscle pain. The massage is recommended for spinal problems, migraines and Western civilization diseases – neck and arms tension.

Truffle and Champagne

An exclusive treatment recommended for city skins and grey skins. The abundance of nutritive substances makes the complexion regain its former brightness and true moisturisation level. It returns the flexibility and the wrinkles become shallow. The treatment is recommended for men and women.

Regenerating / Puryfing Gift of Nature based on mud.

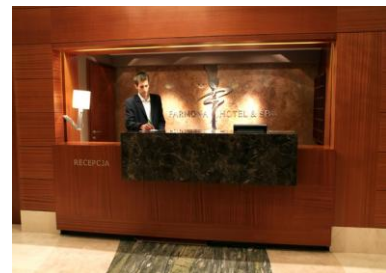

The treatment is recommended for mature, grey and tired skin. It stimulates the natural regeneration processes taking place in the skin, increases the vitality of the collagen fibres responsible for their flexibility and smoothes out wrinkles. It returns the texture, firmness and defines the shape of the face. The complexion after the treatment is clearly refreshed and regenerated.
